Important Information

The information requested and documents mentioned in this form are a general guide. Further documents or information may be required depending on the circumstances of your claim. Note that failure to provide supporting documentation may result in delay or rejection of your claim. Your Policy may not provide cover under every section shown in this Claim Form. The issuance and acceptance of this form does NOT constitute an admission of liability by Insurer or waiver of its rights.

Self Declaration

☐ * I hereby declare that the information given in the event details is true and correct. In case anything is found to be false, untrue, misleading or misrepresented, I will be held liable including, but not limited to, denial of claim as per policy terms and conditions. I understand that I have read policy terms and conditions and will abide by it. I confirm:

1. I have deactivated iCloud, Find My iPhone (FMP), or any similar cloud platform, knowing that the claim process cannot begin without this deactivation.

2. I have backed up my data, acknowledging that the insurer is not responsible for any data loss.

3. I understand that the repair or replacement timeline depends on the availability of parts or devices.

4. I understand that an excess payment may be required, and any delay in payment will affect the repair or replacement process.

5. I understand that if the repair cost exceeds the purchase price in a subsequent claim, I will be responsible for paying the difference.

6. I understand that I must remove my password and security features to enable repair and quality checks, as the claim process cannot proceed otherwise.

Above are only few points and not exhaustive terms. In addition to this, other policy terms will be applicable.
